Hon John C Calhoun

Sir,

In 1818 or 1819 and while
a member of Congress I enclosed to the necessary
papers as I then supposed to establish a claim of Henry
Sutton to a pension for a wound received in the late War.
Some considerable ^{time} after, I wrote to you requesting information
respecting it. I was informed in reply that the papers could
not be found - Other papers were after ward made out
& forwarded and they were returned & directions en-
closed have been attended to and the p'ers
are again herewith enclosed. Sutton by his wound has
been much reduced in his circumstances, and from
other delay in getting his pension & his property, I have oc-
casionaly aided him. He now stands in great need.
And my object more particularly in giving this de-
tailed statement is for the purpose of urging the ne-
cessity of placing him on the pension list in time to
draw his pension at the next semi-annual pay.

Very respectfully
Wm Miller

ager 7.

Pension Agency
Detroit April 17th 1835

Sir

Your Letter of the 2^d. April 1835 was received last evening, on the subject of Endorsements on Pension Certificates, to which I hasten to reply. There are many of the Pensioners of this Agency who have been in the practice of leaving their Certificates in my Office for safe keeping, and on examination I find there is endorsement on the most of them, when I received the Appointment of Agent I found a memorandum made on some of the Certificates as you will perceive by the enclosed, and not being aware that any bad consequences could arise from such memorandum's I have also made some, as you will perceive. By your Letter, it would seem that bad consequences might arise, and I now wait your further directions, as to the disposition of the remainder of the Certificates now in my possession, as well as those which may hereafter be presented.

The only inducement to make such memorandum was for the following reasons. I have for the most part been under the necessity of making out the vouchers for the Pensioners when he applied for his pay, and in order to have their papers ready (those who left their Certificates with me) when they should call, the said memorandum was my guide in filling the blanks in the printed form said endorsements were not made at the request of the Pensioner or any other person, but for the reasons above stated.

Very respectfully Your Obedt.
